**RESPONSE TO FIRST OFFICE ACTION**

Dear Examiners:

**REMARKS**

Based on the remarks to follow, reconsideration of this application is respectfully requested. This reply is responsive to the office action dated July 27, 2005.

In the office action, the drawings were objected to for their dark character making figures 1-3 and 5-7 unclear. The replacement sheets numbered '1 of 4', '2 of 4', '3 of 4', and '4 of 4' are submitted herewith, exact in replication to the respectively numbered original drawing sheets and with no change to the figures therein, albeit lighter in quality to make the features visibly clear.
